Jan. 22, 2025 Fox & Friends Interview  
Sean Hannity's Interview with President Donald  
Trump

<p>1 SEAN HANNITY: You stated that you will 2 release the files, all of the files, as it 3 relates to the JFK assassination. 4 The moment you walked back in this 5 office, this desk, this room, your carpet. How'd 6 you feel? 7 PRESIDENT DONALD TRUMP: Well, it was a 8 lot of work. 9 SEAN HANNITY: Do you believe that 10 moment, people say to me, they see a change in 11 you. Do you believe you've changed? Has this, 12 for example, increased your faith in God? 13 PRESIDENT DONALD TRUMP: Yes. 14 SEAN HANNITY: All these people, the 15 Biden family members, Joe Biden ran and said he 16 would never do preemptive pardons. It was an 17 issue that came up when you were leaving your 18 first time. 19 PRESIDENT DONALD TRUMP: Sure. Oh, he 20 thought -- he heard that I was going to do it. I 21 didn't want to do it. I was given the option. 22 SEAN HANNITY: And welcome to Hannity 23 and buckle up for a very special show. After 24 four long years, President Donald Trump is back 25 where he belongs. He is in the Oval Office.</p> <p style="text-align: right;">Page 2</p>	<p>1 PRESIDENT DONALD TRUMP: Yeah. 2 SEAN HANNITY: -- somebody didn't have 3 consecutive terms. 4 PRESIDENT DONALD TRUMP: Yeah. Well, 5 they say it's historically bigger. I don't know 6 about that. But I can say, it showed us a couple 7 of things. It showed us that the radical left, 8 their philosophies and policies are horrible, 9 they don't work. You look at crime, you look at 10 what's gone on at the border, you look at what's 11 going to happen to crime. I mean, the crime 12 that's going to happen, but I think we got there 13 just in the nick of time. But we still have you 14 covered better than anybody. We have terrorists 15 in our country by the thousands. We have 16 murderers in our country by the tens of 17 thousands. 18 We have numbers that came out, 11,000 19 people that murdered are now free and walking 20 around in our country. And of them, I think 48 21 percent they say killed more than one person, and 22 they're walking around. They came out of jails 23 from other countries. And people, they've 24 emptied their jails. I would -- if I were the 25 President or Prime Minister or something of</p> <p style="text-align: right;">Page 4</p>
<p>1 Earlier, the President, he did welcome us into 2 the White House for an exclusive first interview 3 in front of the Resolute Desk. 4 Mr. President -- 5 PRESIDENT DONALD TRUMP: Thank you. 6 SEAN HANNITY: Welcome back. 7 PRESIDENT DONALD TRUMP: Thank you very 8 much. 9 SEAN HANNITY: Let's talk about the 10 moment you walked back in this office, this desk, 11 this room, your carpet. How'd you feel? 12 PRESIDENT DONALD TRUMP: Well, it was a 13 lot of work, and as you know, I felt that we 14 shouldn't have had to necessarily be here. It 15 could have been done -- a lot of work could have 16 been -- it would have been over. We wouldn't 17 have inflation, we wouldn't have had the 18 Afghanistan disaster, we wouldn't have had 19 October 7th with Israel where so many people were 20 killed, and you wouldn't have a Ukraine war going 21 on. But with all that being said, I think it's 22 bigger. It's bigger than if it were more 23 traditional. 24 SEAN HANNITY: Only the second time in 25 history --</p> <p style="text-align: right;">Page 3</p>	<p>1 another country, I'd empty my jails right into 2 America, into the United States. Why not? And 3 many of them did it. If you look at Venezuela, 4 their crime rate is down now 78 percent because 5 they took their street gangs, and they moved them 6 into the United States. And you're seeing that 7 in Colorado and Los Angeles and other places, and 8 we're going to take care of it. 9 SEAN HANNITY: So, did Biden really say 10 to you when you came up to the front of your 11 White House, "Welcome home"? 12 PRESIDENT DONALD TRUMP: No, did 13 somebody say that? 14 SEAN HANNITY: I read it somewhere. I 15 don't remember. 16 PRESIDENT DONALD TRUMP: I don't know. 17 Maybe he did. I really don't know. 18 SEAN HANNITY: So, you left him a 19 letter. It was funny what Peter Doocy and Peter 20 said, "Oh, Mr. President, did Joe Biden leave you 21 a letter?" 22 PRESIDENT DONALD TRUMP: Yeah. 23 SEAN HANNITY: He did leave you a 24 letter? 25 PRESIDENT DONALD TRUMP: He did.</p> <p style="text-align: right;">Page 5</p>

<p>1 SEAN HANNITY: And you had left him 2 one, but you've never disclosed either one of 3 them. 4 PRESIDENT DONALD TRUMP: Well, a lot of 5 people think -- 6 SEAN HANNITY: Now would be a great 7 time. 8 PRESIDENT DONALD TRUMP: You know what 9 was interesting? A lot of people thought it was 10 sort of like a setup with Peter Doocy and myself, 11 and I have a lot of respect for Peter. But he 12 just asked me a question about the letter and 13 then I remember that, you know, there's like a 14 custom. You leave it right in the drawer of that 15 beautiful desk right alongside of us. And so, I 16 opened it up and I actually gave the letter to 17 Peter. 18 SEAN HANNITY: And did he -- he got to 19 read it? 20 PRESIDENT DONALD TRUMP: I guess. I 21 don't -- I haven't -- I just sent -- 22 SEAN HANNITY: You don't know if he 23 read it? 24 PRESIDENT DONALD TRUMP: Yeah, I just 25 sent it to him a little while ago.</p> <p style="text-align: right;">Page 6</p>	<p>1 in this office. What people don't know is, over 2 there, there's a little red button you push, you 3 scare people. People think it's the nuclear 4 button, but it's really, you know -- 5 PRESIDENT DONALD TRUMP: Something 6 else. 7 SEAN HANNITY: It's used for a 8 different purpose. But the question I have was, 9 at any point, did you doubt you would be back 10 here? 11 PRESIDENT DONALD TRUMP: So, it's a 12 great question. It's something I don't think 13 about. I never really thought about it. I don't 14 think about, "Gee, will I be back?" I just do 15 it. I get it done. I get things done. I'm good 16 at getting things done, and I set my mind to it. 17 As you know, we had a great election in 2016. I 18 had a much better election in 2020 and if I 19 didn't have that election, I wouldn't have run. 20 If I thought that I didn't get the number of 21 votes and it was reported that I got almost 75 22 million votes and that was their numbers. That 23 wasn't the numbers, that was their numbers. That 24 was more than anybody has gotten in history, any 25 sitting President had ever gotten, and you lost?</p> <p style="text-align: right;">Page 8</p>
<p>1 SEAN HANNITY: All right. Before we 2 get into -- there's so much substance. You are 3 inheriting a lot of problems, a lot of things 4 that actually scare me. And I want to get to all 5 that, and I will get to all of that. 6 PRESIDENT DONALD TRUMP: They're all 7 solvable problems, though. 8 SEAN HANNITY: I agree. 9 PRESIDENT DONALD TRUMP: They're all 10 solvable. 11 SEAN HANNITY: Not easy. 12 PRESIDENT DONALD TRUMP: With time, 13 effort, money, unfortunately. But they're all 14 solvable problems. We can get our country back. 15 But if we didn't win this race, I really believe 16 our country would have been lost forever. 17 SEAN HANNITY: Were there moments -- I 18 mean, when you think of what they threw at you, 19 and I know you signed this declaration about no 20 more weaponization. And we know that the 21 preemptive part, and this came up on Joe's way 22 out, but you were facing a civil trial, a 23 criminal trial, conviction, sentencing, Jack 24 Smith, D.C., Florida, Fani Willis. I mean, you 25 fought through all of that to get back right here</p> <p style="text-align: right;">Page 7</p>	<p>1 Had I gotten, like, 50 million or 40 million or 2 60 million, I would never have run. But that was 3 like (indiscernible). So, but I had a different 4 attitude. Too big to rig. 5 SEAN HANNITY: Poll came out just in 6 the 24 hours by Insider Advantage, that's Matt 7 Towery. He nailed 2016, 2020 and 2024. Great 8 pollster, as you know. 9 PRESIDENT DONALD TRUMP: Right. 10 SEAN HANNITY: And he gave you a 56 11 percent approval rating. He also said of 12 Congress, and I had a Town Hall with members of 13 Congress last night, that 70 percent of 14 respondents want Congress to unite behind your 15 agenda. 16 PRESIDENT DONALD TRUMP: I watched that 17 show. It was a great show, and you had some 18 great people in the background. I know every one 19 of them, and they're really patriots. I just saw 20 the love. You know, as the speaker, who was 21 doing a terrific job, the speaker is answering 22 questions and I saw the -- like, the 23 acknowledgment and the love they had, and those 24 are tough people behind him. You know, these are 25 not easy people.</p> <p style="text-align: right;">Page 9</p>

<p>1 SEAN HANNITY: There are others that 2 are tougher. 3 PRESIDENT DONALD TRUMP: Well, I don't 4 know. That's -- this is a tough group if they 5 want to be. They're not -- nobody much tougher. 6 But they're very unified and I think they're 7 going to do a great job. 8 SEAN HANNITY: But they have a small 9 majority. You went through over 200 -- since 10 we've got here. And we have breaking news today 11 that we'll get to a minute. And especially as it 12 relates to the border and some other issues. And 13 -- but you're going to need to do some of these 14 things legislatively. You will probably play the 15 largest role -- 16 PRESIDENT DONALD TRUMP: Yeah. 17 SEAN HANNITY: -- in uniting them both 18 in the House and Senate. Reconciliation, the 19 Senate has very strict rules governing -- 20 PRESIDENT DONALD TRUMP: Sure. 21 SEAN HANNITY: -- how they can do it. 22 PRESIDENT DONALD TRUMP: Sure. 23 SEAN HANNITY: Do you -- one big, 24 beautiful bill, two bills? Do you care at this 25 point?</p> <p style="text-align: right;">Page 10</p>	<p>1 had FEMA working really well. We had hurricanes 2 in Florida, we had Alabama tornadoes. But unless 3 you have certain types of leadership, it's really 4 -- it gets in the way. And FEMA is going to be a 5 whole big discussion very shortly because I'd 6 rather see the states take care of their own 7 problems. If they have a tornado someplace and 8 if they -- let that state. 9 Oklahoma is very competent. I love 10 Oklahoma. 77 out of 77 districts and that's 11 never been done before. I did it three times. I 12 mean, think of it. Three times, never been done. 13 Ronald Reagan had the record, 56, 56 out of 77. 14 I got 77 out of 77. So, you have to love a place 15 like that. I love Oklahoma. But you know what? 16 If they get hit with a tornado or something, let 17 Oklahoma fix it. You don't need -- and then the 18 federal government can help them out with the 19 money. 20 SEAN HANNITY: What do you -- 21 PRESIDENT DONALD TRUMP: But I -- the 22 FEMA is getting in the way of everything, and the 23 Democrats actually use FEMA not to help North 24 Carolina. 25 SEAN HANNITY: It makes no sense that -</p> <p style="text-align: right;">Page 12</p>
<p>1 PRESIDENT DONALD TRUMP: I don't care, 2 as long as we get to the final answer. I like 3 the concept of the one bill. I guess I said, 4 "one big, beautiful --" and that's what everyone 5 -- actually, it's sort of a nice sound to it. 6 But I do like that concept. It could be 7 something else; it could be a smaller bill and a 8 big bill. 9 SEAN HANNITY: Right. 10 PRESIDENT DONALD TRUMP: But as long as 11 we get to the right answer. Now, I will say that 12 Los Angeles has changed everything because a lot 13 of money is going to be necessary for Los 14 Angeles. And a lot of people on the other side 15 want that to happen (indiscernible) 16 SEAN HANNITY: North Carolina too. 17 PRESIDENT DONALD TRUMP: Well, they 18 don't care about North Carolina. The Democrats 19 don't care about North Carolina. What they've 20 done with FEMA is so bad. FEMA is a whole 21 another discussion. 22 SEAN HANNITY: Yeah. 23 PRESIDENT DONALD TRUMP: Because all it 24 does is complicate everything. FEMA has not done 25 their job for the last four years. You know, I</p> <p style="text-align: right;">Page 11</p>	<p>1 - 2 PRESIDENT DONALD TRUMP: So, I'm 3 stopping on Friday. I'm stopping in North 4 Carolina, first stop. 5 SEAN HANNITY: Yeah. 6 PRESIDENT DONALD TRUMP: Because those 7 people were treated very badly by Democrats. And 8 I'm stopping there. We're going to get that 9 thing straightened out because they're still 10 suffering from a hurricane from months ago. 11 SEAN HANNITY: Hurricane Helene. 12 PRESIDENT DONALD TRUMP: And then I'm 13 going to -- then I'm going to go to California. 14 I'll go to. 15 SEAN HANNITY: Will you meet with 16 Gavin? 17 PRESIDENT DONALD TRUMP: I don't know. 18 I haven't even thought about it. Look, Gavin's 19 got one thing he can do, he can release the water 20 that comes from the north. There is massive 21 amounts of water, rainwater and mountain water 22 that comes through with the snow, comes down as 23 it melts. There's so much water, they're 24 releasing it into the Pacific Ocean. And I told 25 him, it's a political thing for the Democrats. I</p> <p style="text-align: right;">Page 13</p>

<p>1 don't know.</p> <p>2 SEAN HANNITY: I played the tape. You</p> <p>3 said it to him in front of him in 2018.</p> <p>4 PRESIDENT DONALD TRUMP: I said it to</p> <p>5 him in front of the media and everything else,</p> <p>6 and nobody talks about it. The media never picks</p> <p>7 it up. You put it out. I'm so happy to see that</p> <p>8 tape because some people said, "Is that</p> <p>9 possible?"</p> <p>10 SEAN HANNITY: How --</p> <p>11 PRESIDENT DONALD TRUMP: They have</p> <p>12 water coming down from the Pacific northwest,</p> <p>13 which is a lot of water. So much water that</p> <p>14 they'd have to let some of it go at some point.</p> <p>15 They don't need reservoirs, they don't need --</p> <p>16 and they're spending all this money on these</p> <p>17 reservoirs, and they're fake reservoirs. You</p> <p>18 know they're concrete.</p> <p>19 SEAN HANNITY: But the reservoirs were</p> <p>20 empty, the hydrants didn't work and they're not</p> <p>21 practicing the science of forestry, which is --</p> <p>22 PRESIDENT DONALD TRUMP: Their</p> <p>23 sprinklers didn't work in the homes because they</p> <p>24 had no water. Think of it, we have sprinklers.</p> <p>25 Think of it with no water. They didn't have any</p> <p style="text-align: right;">Page 14</p>	<p>1 SEAN HANNITY: And the question you</p> <p>2 asked me, "Maybe in the end it will be better if</p> <p>3 I came back in four years." And we talked about</p> <p>4 history. After World War 2, Winston Churchill</p> <p>5 was thrown out, but they brought him back.</p> <p>6 Grover Cleveland was the only other American</p> <p>7 President that did not serve consecutive terms.</p> <p>8 And my answer to you was, I thought it would be</p> <p>9 bigger if you came back.</p> <p>10 PRESIDENT DONALD TRUMP: It's turning</p> <p>11 out to be bigger. And I think one thing is</p> <p>12 happening is, people are learning that they can't</p> <p>13 govern and that their policies are terrible. I</p> <p>14 mean, they don't want to see a woman get pummeled</p> <p>15 by a man in a boxing ring.</p> <p>16 SEAN HANNITY: No.</p> <p>17 PRESIDENT DONALD TRUMP: They don't</p> <p>18 want to see men in women's sports and otherwise.</p> <p>19 They don't want to see them, and they don't want</p> <p>20 to have transgender for everyone. They don't</p> <p>21 want a child leave home as a boy and come back</p> <p>22 two days later as a girl. A parent doesn't want</p> <p>23 to see that. And there are states where that can</p> <p>24 happen. They don't want to see taxes go through</p> <p>25 the roof like, this is the only group of people</p> <p style="text-align: right;">Page 16</p>
<p>1 water.</p> <p>2 SEAN HANNITY: (indiscernible)</p> <p>3 PRESIDENT DONALD TRUMP: Their fire</p> <p>4 hydrants. Yeah, hard to believe this place has</p> <p>5 sprinklers. It's nice. But you don't want to</p> <p>6 lose this office. By the way, how do you like</p> <p>7 it?</p> <p>8 SEAN HANNITY: It's -- well, I'm glad -</p> <p>9 - it's great to be back. I'm not going to lie.</p> <p>10 PRESIDENT DONALD TRUMP: You know I've</p> <p>11 had the biggest people in the world come here.</p> <p>12 And they come into the Oval Office, and they just</p> <p>13 look, and they want time to look. They're</p> <p>14 looking around.</p> <p>15 SEAN HANNITY: You made it.</p> <p>16 PRESIDENT DONALD TRUMP: There's</p> <p>17 Washington, Honest Abe.</p> <p>18 SEAN HANNITY: One day maybe we can do</p> <p>19 a tour. We had a conversation and maybe I</p> <p>20 shouldn't disclose this, but I will. And it was</p> <p>21 after the 2020 election. And you asked me a</p> <p>22 question, and we've known each other for 30</p> <p>23 years. So, we have a friendship, and we have a</p> <p>24 professional relationship.</p> <p>25 PRESIDENT DONALD TRUMP: Right.</p> <p style="text-align: right;">Page 15</p>	<p>1 that want to raise your taxes. They say, "We</p> <p>2 want to raise your taxes." You know, if they</p> <p>3 don't work with us on the Trump tax cuts</p> <p>4 extending, that would mean it would go back to</p> <p>5 the taxes. We've got the largest tax cut in</p> <p>6 history. That would mean the taxes would go up</p> <p>7 more than any tax hike in the history of our</p> <p>8 country. And normally you'd say, that's got to</p> <p>9 be the easiest negotiation in history because if</p> <p>10 they did that, how could they ever win an</p> <p>11 election? But they'll fight us on that. They</p> <p>12 fight us on things. It's incredible.</p> <p>13 SEAN HANNITY: Here, I ran into --</p> <p>14 PRESIDENT DONALD TRUMP: They don't use</p> <p>15 common sense. In my opinion, the Democrats don't</p> <p>16 use common sense and that's why they lost.</p> <p>17 SEAN HANNITY: Common sense won the day</p> <p>18 in the election.</p> <p>19 PRESIDENT DONALD TRUMP: Yeah, but you</p> <p>20 know the amazing thing? I'm watching now. Now</p> <p>21 it's time and you know, a few months have passed,</p> <p>22 and the election is over, and you see what</p> <p>23 happened and it was (indiscernible). I won all</p> <p>24 seven swing states, and we won by millions of</p> <p>25 votes, the popular vote, millions. And nobody</p> <p style="text-align: right;">Page 17</p>

<p>1 can even believe some of the numbers. And how 2 about with African Americans, with Hispanics, 3 with everything, how well we did. Nobody can 4 believe the numbers.</p> <p>5 SEAN HANNITY: I was --</p> <p>6 PRESIDENT DONALD TRUMP: How about with 7 youth? I won youth by 36 points. Now maybe 8 that's because I went on TikTok. I don't know, 9 but I had -- I'm starting to have a very warm 10 spot in my heart --</p> <p>11 SEAN HANNITY: TikTok is going to be 12 sold, right?</p> <p>13 PRESIDENT DONALD TRUMP: I think TikTok 14 (indiscernible)</p> <p>15 SEAN HANNITY: Well, when we spoke, 16 people like Senator --</p> <p>17 PRESIDENT DONALD TRUMP: I'll tell you, 18 people want to buy it. People want to buy it.</p> <p>19 SEAN HANNITY: I bet they do. But 20 those that say they know, say it's a spying app 21 for the Communist Chinese.</p> <p>22 PRESIDENT DONALD TRUMP: I know, but 23 you could say that about everything made in 24 China. Look, we have our telephones made in 25 China for the most part.</p> <p style="text-align: right;">Page 18</p>	<p>1 SEAN HANNITY: And so far, 308 total 2 arrests, 296 detainees. And the first 3 appointment of military assets to the U.S. 4 border, the deployment includes active-duty 5 troops and the National Guard.</p> <p>6 PRESIDENT DONALD TRUMP: Right.</p> <p>7 SEAN HANNITY: And here's my biggest 8 fear and concern beyond the arraigining and 9 assassination squads, is we now know 14 million - 10 - we don't know how many got away, we don't know 11 the total number. But we have known terrorists 12 in our country.</p> <p>13 PRESIDENT DONALD TRUMP: Mm hmm.</p> <p>14 SEAN HANNITY: We have known murderers, 15 rapists. We have violent criminals, cartel 16 members, gang members. Now, I would imagine, if 17 you came from Iran and Syria and Egypt and 18 Afghanistan and Russia and China and Venezuela, 19 you didn't come here because you want a better 20 life for your children. I would imagine those 21 known terrorists are planning an attack on our 22 homeland. At a moment's notice, you're going to 23 be at the desk, maybe sitting at this desk or 24 maybe up in the residence and they're going to 25 call you down in the situation room because our</p> <p style="text-align: right;">Page 20</p>
<p>1 SEAN HANNITY: Mm hmm.</p> <p>2 PRESIDENT DONALD TRUMP: We have so 3 many things made in China. So, why don't they 4 mention that? You know --</p> <p>5 SEAN HANNITY: Let me address some 6 issues.</p> <p>7 PRESIDENT DONALD TRUMP: -- the 8 interesting thing with TikTok though, is you're 9 dealing with a lot of young people, so --</p> <p>10 SEAN HANNITY: They love it.</p> <p>11 PRESIDENT DONALD TRUMP: -- is it that 12 important for China to be spying on young people, 13 on young kids watching crazy videos of things?</p> <p>14 SEAN HANNITY: I don't want China 15 spying on anybody.</p> <p>16 PRESIDENT DONALD TRUMP: No, no, but 17 they make your telephones, and they make your 18 computers, and they make a lot of other things. 19 Isn't that a bigger threat?</p> <p>20 SEAN HANNITY: I'm sure that'll be part 21 of your discussions with President Xi, which I'm 22 going to talk about in a moment. Let me go to 23 the border. We do have breaking news today. I 24 ran into Tom Homan as I was walking in today.</p> <p>25 PRESIDENT DONALD TRUMP: Right.</p> <p style="text-align: right;">Page 19</p>	<p>1 homeland is under attack. I would like to be 2 wrong, but when you have known terrorists, you 3 have to believe that they're going to -- they are 4 going to attack our homeland.</p> <p>5 PRESIDENT DONALD TRUMP: Mm hmm.</p> <p>6 SEAN HANNITY: That would change their 7 trajectory that moment of your entire presidency. 8 That has to weigh on you.</p> <p>9 PRESIDENT DONALD TRUMP: Could be.</p> <p>10 Yeah, it could be. And I know I've watched you 11 for a lot of years, and you actually make one 12 statement before you say that. You say, "One 13 hundred percent certain."</p> <p>14 SEAN HANNITY: I do.</p> <p>15 PRESIDENT DONALD TRUMP: That's a 16 pretty big statement.</p> <p>17 SEAN HANNITY: And then I say, "I pray 18 to God I'm wrong."</p> <p>19 PRESIDENT DONALD TRUMP: Yeah. I hope 20 you're wrong too, and I won't comment but I tend 21 to agree with you. It depends. We'll see what 22 happens. Look, we have a lot of great people 23 right now, a lot of great, great people, on this 24 situation. This was a gross miscarriage of 25 common sense to allow people to come in. And I</p> <p style="text-align: right;">Page 21</p>

<p>1 believe the number is 21 million people and a  2 large percentage of them are criminals, all over  3 the world. This is not just South America. This  4 is -- you know, we talked Venezuela. That's a  5 big abuser, but these are countries from -- these  6 are --  7 SEAN HANNITY: Iran (indiscernible)  8 PRESIDENT DONALD TRUMP: -- the Congo.  9 Countries that you don't even think of. The  10 Congo has emptied their prisons out into the  11 United States. We're not thinking about the  12 Congo, we're thinking about South America. It's  13 much more than South America. But prisons from  14 all over the world have been emptied out into our  15 country by Biden allowing it to happen. I don't  16 even know if he knew what the hell was going on.  17 But who would want this? I always say to people,  18 you know, you always like to understand, like in  19 a business or you want to understand the other  20 side. Why do they want something? You know,  21 etc., etc., and you figure it out. And there's  22 usually an answer, almost always.  23 I don't understand, why does somebody  24 want to open borders where -- and they say the  25 vote. Okay, but I did well with the Hispanic</p> <p style="text-align: right;">Page 22</p>	<p>1 SEAN HANNITY: Let me ask --  2 PRESIDENT DONALD TRUMP: Sean, who  3 would ask for open borders with people pouring  4 in? Some of whom, I won't get into it, but you  5 can look at them and you can say, "Could be  6 trouble. Could be trouble." There are people  7 coming in --  8 SEAN HANNITY: There are people with  9 gang tattoos on.  10 PRESIDENT DONALD TRUMP: There are  11 people coming in with tattoos all over their  12 face. Their entire face is covered with tattoos.  13 SEAN HANNITY: That identifies a gang.  14 PRESIDENT DONALD TRUMP: Typically, you  15 know he's not going to be the head of the local  16 bank.  17 SEAN HANNITY: Hey, Sean Hannity here.  18 Hey, click here to subscribe to Fox News YouTube  19 page and catch our hottest interviews and most  20 compelling analysis. You will not get it  21 anywhere else.  22  23  24  25</p> <p style="text-align: right;">Page 24</p>
<p>1 vote if you're looking at Hispanic. They say  2 they do it because they want to -- they're going  3 to stay in power or it's going be better for  4 Democrats. I don't really believe that. Besides  5 that, they cheat so much, they don't have to do  6 that. They cheat so well. They're very good at  7 cheating. The only thing they're good at,  8 really, is cheating. But here's the thing I ask,  9 why would somebody say that open borders are  10 good? Where jails and mental institutions from  11 other countries and gang members, right off the  12 streets of the toughest cities in the world, are  13 being brought to the United States of America and  14 emptied out into our country. Why would anybody  15 that even likes -- you don't have to love our  16 country, you have to like it. Why would anybody  17 that likes our country, the Democrats, allow that  18 to happen? And even now, I watch them on  19 television, they're trying to justify it. You  20 can't justify it. The only reason it can be --  21 there's two reasons, you're stupid and I don't  22 think they're stupid. I think anybody that  23 cheats that much and that well is not stupid.  24 You're either stupid or you hate the country.  25 Those are the only two reasons.</p> <p style="text-align: right;">Page 23</p>	<p>1 CERTIFICATION  2  3 I, Sonya Ledanski Hyde, certify that the  4 foregoing transcript is a true and accurate  5 record of the proceedings.  6  7  8  9   10  11 Veritext Legal Solutions  12 330 Old Country Road  13 Suite 300  14 Mineola, NY 11501  15  16 Date: February 18, 2025  17  18  19  20  21  22  23  24  25</p> <p style="text-align: right;">Page 25</p>
